Major William P. Haubner, USA
Chief, Visitors Bureau, USARCASIE

Dear Major Haubner,

I wish to extend to you my personal thanks for your cooperation and support in helping to make the recent Regional Conference, held in Panama, an outstanding success. I am sure the results of the conference would not have been so gratifying had it not been for this cooperation. Your thorough planning and hard work were deeply appreciated.

Faithfully yours,

(Signed) Marshall S. Carter
